

Medicines use in care homes: Course 2 e-learning

Medicines use
in care homes:
course 2

The second of our e-learning packages for care homes, builds on the content covered in Medicines use in care homes: Course 1 and includes seven modules focusing on key topics, in addition to three case studies that will help apply learning to practice.

The course is designed for all care home staff involved in the administration, recording, ordering, storage or any other aspect of medicines use.

Quizzes at the end of each module will test understanding and recap on key learning points, and a pass mark of 70% is required in the final assessment to complete the course and receive a certificate.

PrescQIPP is a Skills for Care Endorsed Provider and the course is also CPD accredited and carries an endorsement statement from the National Institute for Health and Care Excellence (NICE).
